## Minnows

Minnows' soccer is for 5 and 6 year olds. It is intended to introduce the beautiful game to children. We aim to maximize a child's interest through a fun but structured learning environment.

Several short activities are played that help improve spatial awareness and agility. Most activities will include the

use of a ball to develop the young soccer player. Each session ends with a small, sided scrimmage. Small, sided scrimmages promote the number of touches per player. Sessions are about 55 minutes long.

**Please write your child's name on their ball.**
