

PLAYOFF RULES:

All playoff games will be 2X30 minute halves. If score is tied after regulation, game will go to a 10 minute sudden death (1st goal wins) period. If score is tied after 10-minute sudden death period, game will be decided on Penalty kicks, best of 5 (if tied after 5 then sudden death).

Any player receiving a red card during playoffs will NOT be eligible for the next game (possibly more depending on why red card was issued). As per FIFA rules team must play short for remainder of game as a result of any red cards.

Teams must have at least 5 players to start the game, if a team has less than 5 players the referee will wait 10 minutes (the clock is running however) past the start time for more players to show up. If the team still has less than 5 players, the game shall be ruled a forfeit.

A player may only play for one (1) team (in a division) during the playoffs. Use of illegal players will result in a forfeit.

No player who played for the losing team in the semi-final may play for either team in the final.
